Be a Part of IJSO 2025

International Junior Science Olympiad (IJSO) is a science competition for students under 16-years of age on December 31st of the competition year. IJSO was established to promote interest in science among school students, exposing them to problem solving, critical thinking and experimentation. Over the years, IJSO aims to positively impact science and mathematics education at school level. IJSO is held in the first week of December every year, in anyone of member countries. This year, International Junior Science Olympiad is going to be held tentatively from November 23 to December 2, 2025 in Russia. Pakistan Science Foundation (PSF) is inviting applications from young Pakistani science students to participate in the International Junior Science Olympiad (IJSO-2025). Therefore;

- Interested students (boys and girls) under 16-years of age on December 31st 2025 may send their applications on prescribed Proforma available on PSF website www.psf.gov.pk.
- The applicant must be a regular science student and passed minimum SSC-I (Class-IX)/equivalent from a public or private sector (Govt. recognized) institution having proficiency in written and spoken English.
- Only shortlisted candidates on the basis of educational credentials shall be called for test and interview for their final selection.
- Six (6) students will be selected for the said event. The decision of the panel of Scientists/Experts will be final in this regard.
- No TA/DA will be provided to the students appearing for test/interview.
- Last date for receipt of hard copy application is **5th May, 2025** on the following address. Incomplete/ applications received after the closing date shall not be entertained.
